Story

Britany and Zac were married at the beautiful Sea Pines Resort on a perfect May afternoon in Hilton Head, South Carolina. I don't think I will ever tire of photographing couples underneath the huge oak trees, with the Spanish Moss blowing in the wind. It's just so romantic!

Britany and Zac were a photographer's dream couple! From the moment I walked in to meet Britany and her bridesmaids, the vibe was so laid-back and pleasant. They had scheduled in plenty of wiggle room in their timeline, so nothing about the day felt rushed. The girls leisurely got ready, while playing with Britany's sweet mini goldendoodle and opening gifts. After the ceremony, we had a full hour and a half walking around the gorgeous property of Sea Pines taking photographs.

Britany was just glowing in her wedding dress from Piera's Bridal! With a the long lace train and matching scalloped veil, the gown was stunning! The groom and groomsmen wore tuxedos from JosABank, with white bowties that spoke of effortless style.

And the Sea Pines Resort was the perfect venue for these two's wedding! With towering oak trees, Spanish moss that blew softly in the wind, and a waterfront that gave the day an incredible view, it's easy to see why this was Britany and Zac's choice for their big day. The Resort is beautiful!

Throughout the whole day, it was so obvious that both Britany and Zac are adored by their friends and family, and that they share a real, sweet, and lasting love! I couldn't be happier for them!
